PROJECTS

- Hunter's System** | *Flutter, Riverpod, Provider, Node.js, Google MLKit, MongoDB* Jan 2025
- Built AI fitness app with real-time pose detection (33 keypoints), automated rep counting, and form validation.
 - Designed gamified XP progression that improved workout consistency by 40% across 10 beta testers.
 - Shipped full stack end-to-end: Flutter app, Node.js REST API, MongoDB; Play Store launch in progress.
- Trekoroma** | *Flutter, Node.js, PostgreSQL, Firebase, Razorpay, JWT* Feb 2025
- Built trekking booking platform with OTP signup, JWT auth, password reset, and cross-device sync.
 - Integrated Razorpay payments, live weather API, and real-time bookings; Play Store launch in progress.
- Samadhanam** | *Flutter, MongoDB, TensorFlow Lite, Gemini API* Nov 2024
- Built civic-tech complaint platform with GPS tagging and AI categorization, cutting manual triage by 65%.
 - Automated issue classification and routing using TensorFlow Lite and Gemini API workflows.
- OrderDesk** | *Flutter Desktop/Mobile, PDF Generation, Excel* Mar 2025
- Built cross-platform purchase-order system for Windows and Android with PDF generation and Excel import.
 - Packaged with Inno Setup installer for app-store-free desktop distribution; download portal in development.

EXPERIENCE

- App Developer** Jan 2025 – Present
Software Development Cell, RBCET Bareilly, U.P.
- Built Flutter apps and Node.js/Express REST APIs with Firebase auth, real-time sync, and notifications.
 - Implemented JWT auth, OTP login, and secure storage; Dockerized dev environments to cut onboarding 60%.
 - Mentored 40+ students in Flutter and FlutterFlow through hands-on workshops.
- Joint Secretary** Aug 2023 – Present
MechQuish Club, RBCET Bareilly, U.P.
- Organized hackathons, workshops, and inter-college tech events with 100+ participants end-to-end.

ACHIEVEMENTS & LEADERSHIP

- Finalist at IIITM Gwalior's flagship hackathon; presented a live prototype to judges and government officials.
- Waitlisted for the national finals of Smart India Hackathon (SIH) 2025.
- Secured 3rd position at Ideathon 2.0, organized by RIF, Bareilly.
- Anchored multiple college-level programs, demonstrating public speaking before large, diverse audiences.
- Led 5+ technical workshops across departments, driving high engagement and smooth delivery.
